Steve's Snappin' Dogs Now Serving Spirits and Suds

Have a beer with your brat or wine with your wiener

Steve's Snappin' Dogs is now offering a large selection of bottled beers as well as a complete line of Barefoot Wine & Bubbly products from California. The new line of adult beverages includes domestic and Mexican bottled beers as well as micro-beers from Colorado. Draft beers by the pitcher and glass are also on tap.

"Finally," says owner Steve Ballas. "Outside of a long application process, we've also had to make renovations to the patio – but it's all worth it." In order to be in compliance with the liquor licensing laws, Ballas had to add a door to the patio dining area. Now customers can access the patio directly from the restaurant which is also an added convenience.

To view the new selection of beverages, visit Steve's Snappin' Dogs interactive website menu which is located at www.stevessnappindogs.com or if you're over 21, stop in and have a cool one with a hot dog.
